

GREAT BOULDER RESOURCES CASE STUDY

18 January 21

GBR announces "Thick Zones of Mineralisation at Blue Poles".
Intercepts include 52m @ 1.02g/t from 28m to EoH. Blue Poles is a prospect within the Whiteheads Project circa 45km north of Kalgoorlie.
GBR mkt cap circa \$6m.

24 February 21

GBR launches placement and entitlement issue prices @ 3.5c/share to raise \$3.1m to fund exploration at Whiteheads and Side Well projects.

24 March 21

GBR engages Corporate Storytime (CS) as IR consultant. GBR Managing Director Andrew Paterson attends CS business launch event attended by mining and professional services executives. CS establishes GBR Twitter and refreshes LinkedIn profile, CS establishes Mailchimp account for GBR and imports bespoke contact list.

20 April 21

Andrew Paterson and Lucas Robinson conduct a day of broker/investor meetings arranged by CS including several face to face in Perth and via Zoom. CS assisted with production of presentation materials. Most in the audience hadn't heard of the GBR story previously.

23 April 21

GBR announces "GBR Secures Major Land Position in Earraheedy Basin".
GBR share price moves from 3.6c close on 22 April 21 to 4.1c close on 23 April 21.

29 April 21

GBR announces March Quarterly Activities and Cashflow Report

4 May 21

GBR announces "Large Scale Gold Discovery Confirmed at Blue Poles". Best RC drilling results are similar to intercepts reported 18 January. CS assists (alongside Discovery Capital) with constructions of announcement.
Strong reaction from market. Share prices runs from circa 4c to circa 8c on large volume.

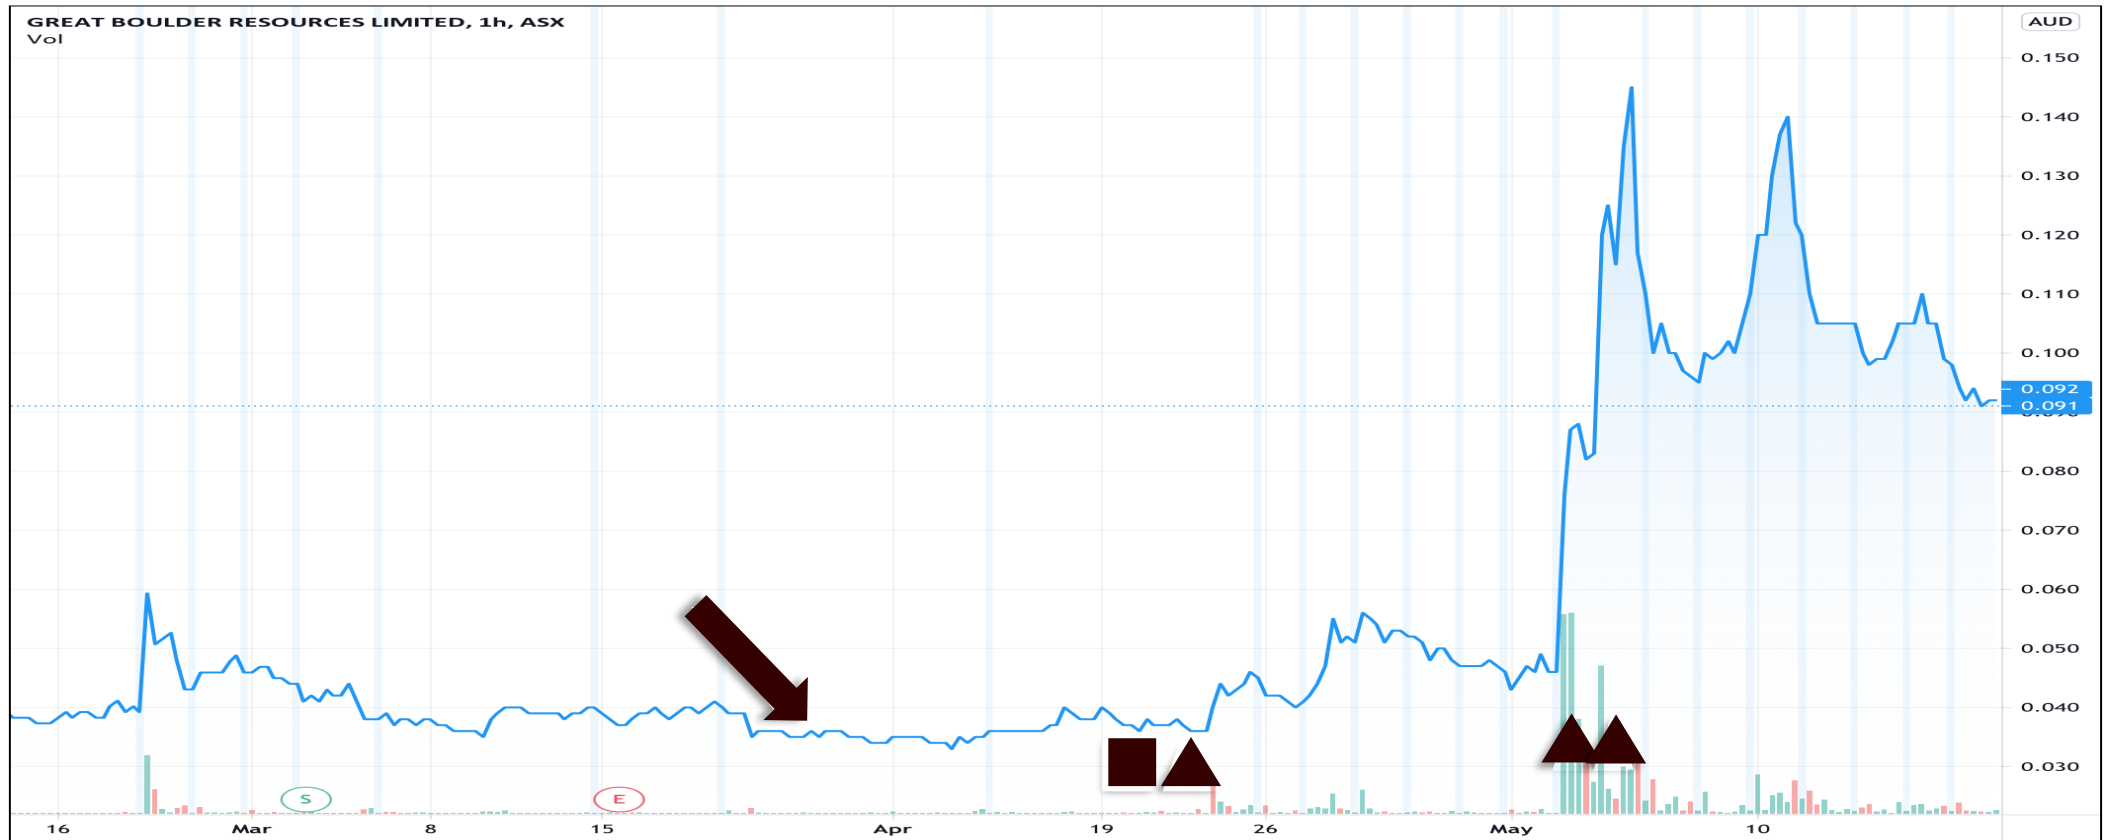

5 May 21

GBR announces assays from RC drilling at Side Well Project near Meekatharra "Exceptional Gold Grades Intersected at Mulga Bill". Share price runs to high of circa 14.5c on volume of >250m shares (ie circa 100% of issued capital traded in a day).
GBR mkt cap runs to circa \$30m - ie 5x uplift since 18 January 21.

Mid-May 21

GBR raises 5.5m via 8c/share single tranche placement. Participation from Bell Potter and Euroz Hartleys dealing groups directly linked to CS/GBR promotion
